

Community engagement

A number of communication and engagement activities were delivered in the Glenelg and Moyne Shire Councils as part of **phase one** of our engagement. This confirmed community support for the program, helped to shape the business case and guide how we deliver the project.

Communication activities			Engagement activities			
						
705 Unique website visitors 1,074 visits 1,934 views	6,681 Letters delivered in Portland, Heywood and Port Fairy	940 Emails sent	138 Responses to online feedback forms	7 Pop-up events spread across three towns	4 Council briefings	Extensive stakeholder meetings and briefings

We are now entering **phase two** of engagement with our community. We aim to provide the community with comprehensive information and enhance their understanding of the project.

What	How	When
Council briefings	Glenelg and Moyne Shire Councils.	September 2025
Mail-out and letter drop	Information postcard sent to residents and property owners - project update, opportunity to provide feedback and stay informed.	September 2025
Community information sessions	Portland, Heywood and Port Fairy.	October 2025
Wannon Water Engage and Explore website	The central source of all public project information - used to host interactive opportunities to participate.	Ongoing
Media	Media releases and interviews at key stages of project.	Ongoing
Social media	Promote opportunities to participate in community events. Video bites (staff addressing FAQs or similar). Project photos and updates.	Ongoing
